Science Literacy PD Reflection, Collaboration & Next Steps

Wednesday, October 28, 2026 • 2:30–3:30 p.m.

Teacher / Team: _____ **Course:** _____ **Unit / Lesson:** _____

HOW TO USE THIS SHEET Complete Sections 1–3 during PD using Every Day Questions 1, 3, and 4 and Team Deep Dive Steps 2–4. Complete Section 4 during the closing and after PD to capture colleague ideas, a next step, and evidence to bring Friday.

1 DURING PD — LESSON PURPOSE, SOURCE, AND MASTERY BAR

Lesson Internalization Tool: Every Day Question 1 / Team Deep Dive Step 2. What source or task will students analyze? What must be visible in the response? Source type: article/text • graph/data • diagram/model • investigation result • other

2 DURING PD — CUBS, COLOR-CODED CER, AND FACILITATION

Lesson Internalization Tool: Every Day Questions 3–4 / Team Deep Dive Steps 3–4. What will students circle, underline, box, and summarize? What will students color-code in CER? What will be productive, partial, or mistaken? What question or support will preserve the thinking?

3 DURING PD — WRITING-SAMPLE FEEDBACK, REVISION, AND EVIDENCE

Use 1–2 de-identified writing samples. What is visible, partial, or missing in the explanation? What feedback prompt and revision action will students use? What evidence will show progress toward the standard?

4 DURING THE CLOSING AND AFTER PD — COLLEAGUE IDEAS AND NEXT STEPS

One useful CUBS or color-coded CER strategy shared by a colleague: _____
My next step before teaching: _____ Evidence I will collect or bring Friday: _____
Question or support still needed: _____
